

When school re-opens, what will it look like?

Lunch

Lunch will be served in classes for children in FS2, Y1 and Y3. The other year groups will have their lunch in the canteen. Meals can be ordered and paid for on ParentPay in the usual way. We will be returning to school on week 1 of the menu cycle.

Coats

Coats should be worn every day. We will plan lots of outdoor activities, to keep children active, so please do ensure your child has a waterproof coat with a hood daily.

Rooms will be well ventilated so may get cooler, please layer up and always bring a jumper or cardigan in to keep yourself warm!

PE will be scheduled weekly for your child's bubble. Please check the attached letter for details of which day their PE lesson will be. On PE days, please ensure your child wears a warm tracksuit and sensible shoes on this day.

Bubbles

Children will work in a bubble with smaller numbers, maximising the use of additional adults to provide support.

Health and Safety

Please remember to follow our safety procedures to keep us all safe!

Wellbeing

We will be planning a series of daily wellbeing activities including collective worship to support pupils physical, spiritual and emotional wellbeing.

Water

Children should bring in a named water bottle that they can refill throughout the day.
