Goodbye Mr Jones! Our site Manager Garry Jones is retiring at the end of term after many years working with us to keep our school safe and clean. Garry has helped us to make numerous improvements to our school environment and we are thankful for his years of service and commitment to Christ Church. Garry has been busy handing over to our newly appointed Site Manager Nathan Rodway, who takes over from January. We wish Mr Jones a happy and healthy retirement and hope to see him regularly in his Grandad duties at school! We wish Nathan a successful and happy time as he joins our team.

Thank-you Mr D! We are also saying goodbye to Mr Donelan who has completed his time developing PE at Christ Church. Mr Donelan has had a great impact in training staff and improving our Sports offer to children to raise the profile of PE. We also thank him for the many voluntary hours he has given to Christ Church over the past few years. We have contracted a variety of new providers to work with our PE lead Miss Cooper to ensure we continue to build on our PE curriculum offer next year.
