

Swimming Reminder

Just a reminder to you all that in Mrs Donelan's February Head Up update letter, she mentioned our exciting plans about an opportunity to get a swimming pool on site! As we are concerned about the lack of access to swimming children have had over the past year, we are doing all we can to give them an opportunity to access the water with an onsite life guard and instructor.

We are delighted to announce that children will be undertaking swimming lessons w/b 17.5.21 and w/b 24.5.21. Elite sports will be 'bringing the swimming pool to us' along with a qualified swimming instructor and lifeguard. The pool will be positioned on the back playground and all children will have access to use it during these two weeks. Further details will follow regarding the details for your child's year group.

The pool is risk assessed and the accompanying instructor and lifeguard will measure temperatures and chlorine / chemicals to ensure children can have fun swimming safely.

Thank you!
