

WIRRAL GRAMMAR SCHOOL FOR BOYS

YEAR 5 VIRTUAL OPEN EVENT

Monday May 10th at 18.30

We would like to take the opportunity to invite all parents/carers of boys in Year 5 to take part in our Virtual Open Event at Wirral Grammar School for Boys. The event will take place online and will offer an insight into life at our school, including some of the fantastic opportunities on offer to our students.

At Wirral Grammar School for Boys our combination of core values, educational excellence and caring, committed staff provides an enriching environment in which to learn. We believe that school should provide an energising and transformational experience. Our standards are high we and encourage all students to have the belief to achieve success in whatever they do. Our students are challenged to think independently through access to a broad curriculum that is responsive to global challenges.

Wirral Grammar School for Boys is located in Bebington with excellent rail and dedicated bus services across the Wirral, Cheshire and Liverpool areas.

Wirral Grammar School for Boys remains community-centred and inclusive. We believe that academically minded and talented students, regardless of their backgrounds, should have equal opportunities to benefit from a grammar school education.

We are at an exciting point in the school's history; you can help to create our future.
