

Christ Church Primary School

Together we can do all things through Christ who strengthens us

Week Ending 27/01/23

Weekly scripture focus, Hosea 2:18

In that day I will make a covenant for them with the animals of the field, and with the birds of the sky, and with the creeping things of the ground. I will break the bow, the sword, and the battle out of the land, and will make them lie down safely.
-Hosea 2:18 WEB

Message from Mrs Donelan

Thank-you to our families for your understanding this week as we publish our arrangements for Wednesday 1st; it is a challenging time yet again for schools and so important that we continue our strong relationships within our community.

We are completing learning walks at the moment; visiting classes to check on teaching and learning—it is a real joy to see children so engaged and happy in school! This follows on from pupil progress meetings with teachers where we discuss every individual child and make sure they are learning well.

Parent teacher meetings will be arranged for the 7th & 8th March so we can share your child’s progress with you, but please make a note of the Thursday morning sessions where families can meet with class teachers informally and look at children’s work—it is Year 2’s turn next!

Look what we enjoyed this week	Looking forward to next week
--------------------------------	------------------------------

Pre-school have been exploring shape space and measure. Using different pieces of fruit and vegetables to paint and mark make. The children spoke about the different shapes and colour together creating exciting conversations.

FS2 have had a parent playing the bagpipes for us! The children were amazed and thrilled, a very special moment for our little ones.

Year 1 We have been using our phonics skills to explore new worlds, enjoy adventures and share stories with friends.

Year 2 have been composing music in C Major and A minor and listening to the different moods they can create!

Year 3 have started a new art project using clay, we also started writing a news article on Howard Carter and his discovery of the Tomb!

Year 4 After such an amazing learning-filled week of maths, SCODE, reading, history and French.... Year 4 ended their day with time and space to be calm through our stretch and reflect session.

Year 5 have been carrying on with the topic Tudors and have been getting creative making Tudor portraits, we have also started to explore the solar system this week.

Year 6 have been experimenting with light in science this week and the flash cards the children have been making, are really helping them with their revision keep it up!

Nurture class have been enjoying learning about the properties of shapes, and have thoroughly enjoyed their PE lessons.

Dear parents and carers,

Four Year 6 girls will be selling a collection of loom bands they have made for boys and girls. The loom bands will be sold to the whole school. It will begin on the 30th of January and will end on the 10th of February.

The prices of the loom bands will be:

Ring- 20p

Fidget ring- 40p

Regular bracelet – 30p

Regular bracelet with beads- 45p

Thick bracelet- £1.00

Thick bracelet with beads - £1.20

Regular necklace- £1.50

Some of our Super Sixes have been busy spending hours of their own time making loom band jewellery to sell in aid of their chosen charity; Claire House. If your family would like to support this charity, the children will be selling the loom bands next week during playtimes.

All proceeds raised will be donated to
Claire House Children's Hospice
