

Maths

We will continue revising arithmetic, reasoning and problem-solving work to equip our children well for their education at Secondary School.

Cross curricular topic 1: The children will link their knowledge gained through conversing with professionals in different careers to undertake real life activities such as calculating insurance, data handling and statistics.

Cross curricular topic 2: The children will link their understanding of Japan to convert between different currencies.

Science/Topic

Science: Children will explore healthy living. They will look at diets and lifestyle of the Japanese.

Topic: We will explore the human and physical geography linked to Japan. The physical aspects will include earthquakes and the amazing features of Japan including mountains and volcanoes. We will focus on comparisons of Japan's culture and schools. We will also link our studies to Tokyo as this is the host city for the Olympic Games.

The Arts inc drama

Drama - Children will be rehearsing for their end of year production for parts in the end of year production, 'Top of the Pops' and also their leaver's service.

Music - Children will have the opportunity to rehearse songs for the production and leavers service. They will appraise their singing and be given chance to perform individually, as part of a duet and as part of a choir.

Art - Children will produce Manga inspired graphic novels.

Christ Church (Cof E) Moreton Primary School

English

English will strongly link to our topics of careers and Japan. During the careers event, children will explore different occupations and writing activities will focus on skills associated with these such as devising their own business plan.

During our Japanese topic, will give the children the licence to freely research the country and its culture. They will produce double page spreads to display research, information texts, learn basic words in Japanese and read Manga stories.

RE & Worship

The Christian value we are embracing this half term is 'humility' and this will be the focus of assemblies and class worship. The main R.E. theme for our lessons is 'Religions of the World' and can religious communities live together in peace?

Each class will also be using their 'Wonder Boxes' during Collective Worship to explore the beauty and diversity of the natural world that God created.

Homework

Maths - handed out Friday (starting on Friday 23rd April), due in on Wednesday. This will be accessed through <https://www.socrative.com/#login>. Further information will be available on Seesaw.

English - learning scripts for the production and church service and lyrics to songs. All will be published on Seesaw. Reading - daily reading including three times on week using the ereader.

(ALL HOMEWORK CAN BE FOUND ON SEESAW).
