

Maths

We will continue revising arithmetic, reasoning and problem-solving skills to equip our children well for their education at Secondary School. We will also complete a unit on financial education, looking at money-related skills.

History and Geography

History: We will be learning about the history of apartheid in South Africa and the life of Nelson Mandela.

Geography: Children will investigate environmental issues faced by Africans.

The Arts and DT

Drama - Children will be rehearsing for their end of year production.

Children will have the opportunity to rehearse songs for the production and leavers services. They will appraise their singing and be given chance to perform individually, as part of a duet and as part of a choir.

Cookery - Children will produce African inspired food products.

DT - Children will complete their Anderson Shelters.

English

English will strongly link to our topic of South Africa and the picture book about Nelson Mandela called "A Long Walk to Freedom". Children will produce a biography and newspaper article. They will also complete a piece of descriptive writing linked to Nelson Mandela's imprisonment on Robben Island.

RE & Worship

Our Christian value for half term is joy. After this, we will starting a new RE scheme and children will investigate the nature of God as portrayed in different verses from the Old testament.

RSE

Children will learn about growing, changing and keeping safe. Parents will be invited to look through resources. Date TBC.

Homework

Homework will be linked to the Y6 production and leavers events, for example learning lines if your child has a speaking part in the production and learning lyrics to songs.

We will also be asking the children to complete some slides all about themselves for the leaver's service.

Details will be published on [Seesaw](https://www.seesaw.me).
