Monday 28<sup>th</sup> June 2021

Dear Parents and Carers,

I am writing to provide you with a school update and let you know the class arrangements for next year. You will be receiving your child's school report on Friday 9<sup>th</sup> July and your child's class teacher will set aside some time to be available, should there be anything you need explaining further or wish to discuss. If you would like to book a telephone call with your child's current teacher before the end of term, please email the year group address and they will arrange a convenient time to call you.

The reports will tell you if your child is on track within their current year, what their next steps are and any areas they may need support with moving forwards. They also recognise your child's particular strengths and talents, and what we have seen them achieve over this very changeable year.

On Friday 2<sup>nd</sup> July, we are continuing with our transition day, where your children will all get to spend the day in their bubbles with their new teachers in their new classrooms for next academic year. So that you can see what your child's classroom looks like and find out about their new teacher and the curriculum for the year, staff will be sending you short film clips to introduce themselves.

We have kept our teaching team consistent for next year as we are dearly hoping to have a more settled year! Mrs Dolphin is moving to Y5 and swapping with Mrs Parrington who is returning to Y4, but otherwise all teachers are remaining in their current year groups.

As they have only just moved in, the current Year 3 pupils will stay in their classrooms for Year 4 and teachers will move to join them. This means that Y6 pupils will move into the Annex building. Photographs of the staff in each year group are below to help you familiarise your child in readiness for Friday. On that morning, they should come in their current gate and their new teachers will meet them in the following places to take them to their classrooms:

Current Class	Moving into	New Class & Teachers
Class 1		Class 4 – Miss Cowell will meet children by the Foundation gate
Class 2		Class 3 - Miss Hogg will meet children by the Foundation gate
Class 3		Class 5 – Miss Shahi & Mrs Edgington will meet children on the Astro
Class 4		Class 6 – Mrs Ashworth will meet children on the Astro
Class 5		Class 7 – Mrs Radford will meet children on the Astro
Class 6		Class 8 – Mrs Tacy will meet children on the Astro
Class 7		Class 10 – Miss Parry will meet children in front of the main entrance
Class 8		Class 9 – Mrs Parrington will meet children in front of the main entrance
Class 9		Class 12 – Miss Philipps will meet children at the top of the driveway
Class 10		Class 11 – Mrs Dolphin will meet children at the top of the driveway
Class 11		Class 13 – Mrs Lakin will meet children outside the Annex
Class 12		Class 14 – Miss Cooper will meet children outside the Annex

We hope the children have a super day getting to know the staff they will be working with next year. If

@CCMPprimary and @ChristchurchMor

you have any questions please email your current teachers who will be able to respond to you.

Teachers are legally entitled to Planning, Preparation and Assessment time each week to ensure high quality teaching and learning for pupils. We cover this time by employing staff to work with children on specialist areas. At the end of this term, we will be saying goodbye to Mrs Milward who has provided PPA cover for our pupils and is now taking early retirement. We wish Mrs Milward every future happiness and thank her for how supportive she has been to our school – especially during the many changes of lockdown. We are currently recruiting an Art specialist to provide PPA cover alongside Mr Longstaffe who will be delivering computing and music across the school. These are exciting appointments for our children as they will strengthen our learning opportunities and we will tell you more about how this works in our curriculum at the start of the Autumn term.

### **Summer Club**

Over the Summer Holidays we will be running 3 weeks of childcare and education activities; they will have a weekly theme and children will explore reading, writing and maths activities during the morning to keep their knowledge going over the long summer break as well as sport, art and outdoor activities in the afternoons. The aim is to have fun, socialise and learn in a relaxed, fun environment different to the normal school day. Families can provide packed lunches or opt into our delicious menus and drinks and snacks will be provided. The sessions run from 9am to 4pm and will be located in the canteen building at the top of the driveway. Look out for the leaflet and booking form to secure your place; we are delighted that we have been successful in receiving funding for Free School Meal pupils and can offer paid for places to those families who would like to purchase sessions.

### **Building Works**

We have just found out that we have also been successful in our building bids and have secured a huge amount of funds to replace our old heating and radiator systems throughout the school as well as all flat roofs and the main pitched roof. This will make a great improvement to the environment for our pupils and future proof our school building for years to come. We are also continuing with our pupil toilet refurbishments over the break and are working towards turning one of our outbuildings into an art studio – so a very busy holiday at Christ Church and lots to look forward to next year!

### **End of Year Admin**

**Please would all families check parent pay urgently this week.** With the various school closures some families may have forgotten to pay for bills accumulated for school dinners and CC4C. We have a large amount of outstanding monies owed to school and this will have a direct impact on what resources we can purchase for children next year if they are not settled. Our office team will contact parents, but it would be much appreciated if you could check and resolve so we don't need to chase you. If you are struggling, please ring Mrs Brisco who can work out repayment plans with families.

Thank-you so much for working so supportively with us this year; your children have produced some super work from home and in school and we are very grateful for the positive relationships we have built together over the telephone, through social media or the email systems and finally, in more recent months at the end of the school day!

We are looking forward to working with you all next year and to reaching a point where we can see you all in person and welcome you into the school building safely!

Best Wishes,

*A Donelan*
