

## Maths

In Maths we will be learning about numbers 1 to 3. We will be going in depth with these to ensure children know and remember ways to make these numbers, recognise these quantities in different patterns and representations without counting (subitising), learning about 1 more than different numbers and shapes using these numbers.

For children that have been with us last year or that demonstrate the knowledge and skills to extend their learning, we will be following their interests to plan real life contexts where they need to use and apply their knowledge of these numbers to solve practical problems.

## Topic

We are very excited about our new topic...

### **Marvellous me and my super celebrations!**

We will be using the stories Happy to be me and The Little Red Hen to inspire our learning. Keep an eye out on Twitter to see some of the fun we get up to linked to this topic! We will be learning about ourselves, our families and how these can be similar/different. We will be learning about what makes a good friend, how we can be this and how we can build positive relationships with new people in our class.

## General

Please remember to send in a water bottle, book bag and waterproof coat each day. If you would like to send in wellies and a set of waterproofs to stay in school then please do so as soon as you can, it means the children can freely play outdoors regardless of the great British Weather! Your child's Key Worker will complete their home school book each day, please feel free to add in any notes or questions you may have for them in this book. Please read this each day and return in your child's book bag.

## Christ Church (Cof E) Moreton Primary School Autumn 1 2023

### Pre School Curriculum Newsletter

## Diary dates & events

We have loved welcoming back our Pre School children that have returned after the summer break and have been thrilled with how amazing our new children have settled! They have all had great fun playing and exploring together, making new friends and building relationships with the staff. Thank you for your continued support and positive feedback about our Pre School.

### Upcoming things to note...

#### Back to School Church Service

Sunday 24<sup>th</sup> September

*Join us at Christ Church this Sunday morning for a special back to school service*

#### Welcome to Pre School Information Session

Wednesday 20<sup>th</sup> September 4.30-5.30pm

*We would love all parents to join us for a welcome session where we can share key information about Pre School including the daily routine, using Tapestry, how we teach the children and our curriculum as well as how you can help at home. This is open to all parents even if your child was with us last term. Please keep an eye out for a letter with further information on regarding this.*

#### Stay and Play sessions

Week commencing 9<sup>th</sup> October

*Throughout this week you will be invited to a stay and play session to join your child in Pre School and have some fun! The dates and times will correspond with a session your child is booked in for and further information will be sent individually to you very soon.*

#### Back to School Church Service

Thursday 19<sup>th</sup> October 2.30pm

*Join us at Christ Church for our EYFS Harvest Service*

Please remember you can email us with any queries using our Early Years email address – [earlyyears@christchurch-moreton.wirral.sch.uk](mailto:earlyyears@christchurch-moreton.wirral.sch.uk) Please note all attendance, medical or general school enquiries should go to the school office.

## Phonics / English

In Phonics we will be learning to hear and say sounds in words, notice the initial sound in words and talk about different sounds we can hear. We will be playing games to help us orally blend and segment words (break them up into the sounds within and vice versa to say a whole word. For children that have been with us last year or that demonstrate the knowledge and skills to extend their learning, we will be encouraging them to independently break up a word into the sounds as well as blend longer words, we will be providing opportunities for them to recognise print and begin to notice letters in words. We will be focusing on a nursery rhyme each week, thinking about the vocabulary involved and learning the meaning of any unfamiliar words as well as rehearsing and performing the ones we learn.

## RE & Worship

In RE we will be learning about how we are all special. Our RE curriculum allows us to teach this linked to Christianity as well as other faiths such as Islam, this is done in an age appropriate way and allows children to learn and explore their own thoughts and ideas. We will also be sharing in regular worship together where we sing together and join members of our community such as Christ Church Clergy.

## Home School Partnership

If your child was with us last year, you can continue to use Tapestry to send in achievements, celebrations, activities and other news from home. Your child's Key Worker will share this in Pre School with your child and respond to you/them. We will use Tapestry to share any wow moments that have happened in Pre School for you to see too.

If your child has just joined us this term, we are working on setting up a Tapestry account for you, an email activation will be sent to you very soon and you can use Tapestry then too.
