

Christ Church Primary School

Together we can do all things through Christ who strengthens us

Week Ending 24/05/24

What a mixed week we have had with the weather. Luckily, the sun did shine as we celebrated our experience Pentecost day of reflection on Monday. Mrs Parrington supported the children's Pentecost team to plan, resource and run the stations of either waiting, receiving, telling, doing or sharing. We also welcomed in parishioners from Christ Church Parish to share the experience with us. What a wonderful day it was for all!

We were lucky enough to also have fine weather on Tuesday for the KS1 sports day. The children represented their countries so well and they all tried their best in their events. It was lovely to welcome so many families to share it with us. We were very disappointed to have to postpone sports day for our KS2 children on Wednesday due to the inclement weather that we are currently experiencing. The day will go ahead on the reserve date of the 26th June with the same timings. Let's hope the sun is kind to us on that day! Our swimming pool is arriving during the half term break and lessons will commence first week back. Look out for the letters which are being emailed out today.

We wish you all a restful, sunny half term and look forward to seeing you when we come back on the Tuesday the 4th of June as Monday the 3rd is an INSET day.

Thank you for your continued support, Mrs Grant-Jones

Look what we have enjoyed this week...

Pre-school have enjoyed our text 'The Train Ride' this week. Lots of activities about train journeys, being a passenger, locations, maps and much more.

FS2 have continued learning about space this week becoming artists and creating space paintings in the style of the American painter Chelsey Knight Bonestall. We enjoyed looking at his work and then creating gradients for our backgrounds with paint, adding the foreground with oil pastels and then the finer details on top. We also wrote facts about Chelsey using all of our key skills. We were very happy to have some of our families in for a stay and play too

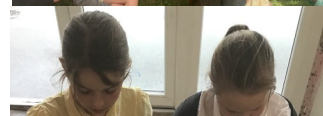

Year 1 children impressed us so much with their sportsmanship and teamwork during sports day this week. They worked so collaboratively and really enjoyed the morning. Thank you so much to all of our grown ups that came to cheer us on!

Year 2 This week in year 2 we have taken part in the KS1 sports day! We have also looked at what life was like on the Endeavour, Captain James Cooks ship. Then imagined what it would have been like to land in Australia for the first time.

Year 3 have completed and submitted their poetry entries to the Young Writers competition. They have worked so hard and we wish them all good luck! In Science they have been looking at water transportation and in PSHE they have focused on children's rights and responsibilities. Y3 have also started their final collage piece inspired by Megan Coyle.

Year 4 have thoroughly enjoyed learning about Pentecost this week. They explored the Christian event through visiting stations around school as well as writing poetry, recounts and producing art work too.

Year 5 have been super resilient and shown great perseverance using protractors and rulers to draw angles. In English, we have read more about Camp Green lake and wrote a character description about the Warden. We enjoyed rounders and an extra PE session with Mr Williams and received lots of medals and awards in our athletics presentation. We had a great end of the half term and enjoyed our treat. So proud of our Year Fives.

Year 6 have been delving deeper into this term's value, Joy, and preparing their Values Assembly to share with their parents. They have also been learning more about countries within Africa and African art.
