

Christ Church Primary School

Together we can do all things through Christ who strengthens us

Week Ending 28/06/24

Dear Families,

We have enjoyed great sports days in the sunshine for Years 3, 4, 5 and 6 on Wednesday and F1 and F2 children had lots of fun on Thursday; thank-you so much for your support and joining with us to cheer for the children! We also hosted a group of early career teachers from across the North West for teacher development training provided by our staff and they commented upon how welcoming the school was and how calm and polite the children were—what lovely feedback!

Our year sixes performed their end of year play this week and showed their families how much they have grown over the past seven years! How time has flown since they joined us in F2, we are starting preparations for saying goodbye and wishing them well as they move to secondary school. On Wednesday next week year 6 visit their high schools and the children in Christ Church all move to their new classes for the day. We have told them who their teachers will be and they are all very excited; please see the attached letter for class information for 2024-25.

I hope you all have a lovely weekend and the sun continues to shine.

Best wishes, Amanda Donelan

Look what we have enjoyed this week...

Pre-school have loved messy play this week, exploring ways to mix colours whilst enjoying all the different textures.

FS2 have been learning all about the pollution in our rivers, oceans and seas this week. We were sad to hear that the litter that humans drop gets into the sea and harms the creatures.

We have been thinking about how we can make a difference to ocean life. The sun has been shining and we have been enjoying lots of waterplay outdoors. We have made lemonade cafes, rescued sea creatures with pipes and even enjoyed citrus sensory play.

Year 1 have had a fabulous week this week! We have learnt some Welsh dancing and have started our new art unit all about Andy Warhol.

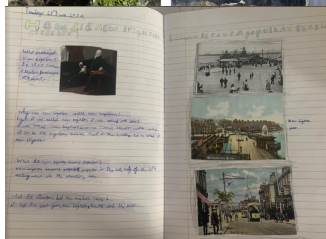

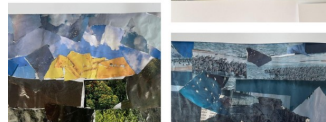

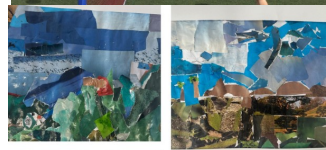

Year 2 have had yet another busy and fun filled week. We enjoyed watching Y6's amazing performance, learned how to play bounce ball, started to write our own Dream Time story and began our new geography unit all about Australia. It's been super hot so we have been drinking lots of water to keep ourselves hydrated!

Year 3 this week the highlight was a fun filled sports day! The children have also completed their collage artwork and framed them ahead of their gallery event. In maths they have started learning about perimeter. They have written their explanation texts all about fair trade and look forward to sharing them with other classes.

Year 4 have been learning about how New Brighton became a popular seaside resort. Did you know that James Atherton purchased land in 1830 which we now know as New Brighton?

Year 5 have had a fabulous Sports day this week. They showed great sportsmanship, team work and perseverance and demonstrated their athletic knowledge. In English, we have worked on creating our very own script for the book, Holes and explored different natural disasters in History producing detailed explanation texts.

Year 6 It has been a busy week in Y6. The end of year production was a massive hit and so well received by audiences from across the school and also grown ups from home. We are so proud of their performances and the courage it took them to stand up on the stage. It was a perfect way to conclude our learning on WW2. Y6 also competed in a very hot and sweaty sports day. They demonstrated tremendous resilience and sportsmanship.

Weekly Attendance:

94.0%

Attendance Matters

Courageous Advocacy—What does your child do to make a difference in the community or the world?

If your child is involved in anything to bring about positive change, please send in a picture and a brief description of how they are helping to make. This will then be celebrated, displayed in the school hall for everyone to see and may also be featured on our weekly school newsletter.

These can be sent in to: schooloffice@christchurch-moreton.wirral.sch.uk
