

Dear Parents/Carers,

**Firstly, a Big Welcome Back from the CCPA team!** We hope you have all had a great summer and everyone has settled back into the school routine.

Secondly, we want to thank everyone for all the support given to our events over the previous year, with your support we were able to raise **£4,204.55!** The school and the children created a wish list of items and over the summer we agreed to fund this and have invested **£4,134**. This is in addition to other items we have funded across the year such as football kits and play equipment. The full list of what was approved can be found on our Facebook page (details below) and will be going up on our notice board in the school playground.

The CCPA plans for another brilliant year of fundraising and will be putting on our normal events (Film Nights, Discos, Fairs, Presents sales) throughout the year for the children. We also hope to run some additional new events. To put on all these great events however we need volunteers and during last year we struggled for these. A lot of our events relied on a lot of support from school staff who donated their free time outside of school hours. This, however, cannot continue to be the norm and as such this year we will not be able to run events if a certain number (announced prior to the event) of volunteers do not come forward. No matter how much time you can offer be it a little or a lot the CCPA is always very grateful and will help us put on these events.

Parents who want to be even more involved are welcome to join the CCPA team. We currently have a selection of parents from across the school making it a great opportunity to not only get involved with the school but also meet other parents. We will be holding a general meeting once every half term and any parent or carer is welcome to come to find out more about us or get involved.

If you require any further information please do not hesitate to contact us. We would also love to hear from you if you have any ideas, thoughts or suggestions. Listed below are the lead team members and our contact details. If you wish to speak with us in person you are welcome to attend one of the general meetings or have a chat in the school playground at pickups.

We look forward to seeing you and your children at the various events we run throughout the year. A list of this year's planned events can be found attached to this letter and also on our Facebook page.

Yours Faithfully,

CCPA Team
