The project that makes a real difference

Dear Parents,

For 5 years we have been running the Family Pack Project at Christ Church. We give out basic toiletries, towels, bedding, children's clothes and toys to the disadvantaged families our community. This takes place 3 times a year and our next project is on 23rd November.

We are self funding and rely completely on donations and wondered if you would be able to help us reach out to these families. At present we are short of bedding, towels and children's toys and would be very grateful if you could help us by donating any that you have finished with which is nearly new or in good condition.

We would be very grateful if you could help us in this way.

Yours faithfully,

Clair Culligan and Jane Fisher (Team coordinators Family Pack Project)

The Church in the heart of Moreton with Moreton in its heart
