Dear Parents and Carers,

I hope you and your families are well and keeping safe. As you will have heard in yesterday's news; schools are continuing to remain closed except for key worker children for a further 3 weeks. The government will then review the position again and inform us of the next steps. We will therefore continue with our online learning support and communication from 9am Monday 20th April.

We have opted into the government FSM voucher scheme and those families eligible will receive an emailed voucher next week. If your circumstances have changed and you think you may now be eligible please contact the school office so we can check for you. This is a service for you, so please do get in touch and don't struggle when you may be entitled to some help - even if you only need it for a short time.

Similarly, you may find that your employment circumstances have changed and you now require a place in our key worker provision for your child. The government advice remains that wherever possible families should keep children at home to keep everyone safe, but if you think you now qualify as a key worker, or you need to change days you have booked, or your shift patterns have altered, please email the school office as soon as possible so I can check to see if we can accommodate you. We must keep this provision small inline with government criteria and so that children and staff are safe, but we do understand that your circumstances may have changed.

We will continue to run one Infant class and one Junior class with familiar teaching staff in each and as before, **the day will begin with breakfast at 8.30am and end at 4pm** - we cannot offer a later collection as we do not have sufficient staffing available so please ensure your child is collected on time.

We are providing a hot meal each day as we know some frontline workers are struggling to get shopping between their shifts, there is not a range of choices for lunch, so children can also bring their own if preferred.

The menu for the next two weeks is:

	Monday	Tuesday	Wednesday	Thursday	Friday
w/b 20.4.20	Macaroni cheese	Jacket potato	mince & mash	Roast dinner	Fish and chips
w/b 27.4.20	Breaded chicken and rice	Sausage & chips	Cheese & beans on toast	Roast dinner	Fish and chips

Children must wear school uniforms and bring a coat with a hood or sun hat and cream for outdoor play every day. PE kits will still be required every Tuesday and please note that **all** of the children's belongings will need to go home each day so that they can be

washed in line with our infection control. We can only provide for your children whilst staff are well and ratios permit; please continue to follow the government guidance to ensure you do not use this service if anyone in your household becomes unwell.

These continue to be very challenging times for us all and not what any of us would choose, however the statistics are grim and it is more important than ever that we continue to follow the advice and not waste the past three weeks of good effort.

We all miss seeing you and being with your children each day and we are looking forward to being in touch again next week. Our team has prepared a message which will be shared online later today so please look out for it and show your children!

Take care and keep safe,
Amanda Donelan
