FS2 Celebration Newsletter

Autumn 1 2019

Wow what a great start to school life the FS2 children have made! The children have settled into school with ease and have been showing off all their great learning this half term. We have focused on feeling happy at school and making new friends. The children feel happy and comfortable learning both indoors and out, enjoying time with friends and the adults that support them with their activities.

We have been using the Supertato books by Sue Hendra to prompt and encourage the children's writing skills. The Evil Pea turned our school freezers off after escaping from our handmade trap! The children had great fun writing Wanted Posters and creating maps to find him. We also helped make a Veggie Super Army to help Supertato defeat the Evil Pea!

During our daily Phonic sessions, the children have been learning new sounds and applying them during their play based learning time. In our Number work the children are becoming super Mathematicians by journaling the different ways they can make numbers.

A highlight this half term was our first FS2 Stay and Play, parents and children loved being together in the classroom and the children were eager to show off their new classroom, the mud kitchen was certainly a hit! We look forward to more opportunities for parents to come into school throughout the year.

The children enjoyed taking part in their first Harvest Celebration at Christ Church, they spoke and sang beautifully and it was wonderful to see so many families attend.

We look forward to another busy half term together in Autumn 2!
