

### Time to celebrate in Year 3.

We have had a fantastic start to Year 3 so far. The children have settled into Key Stage 2 really well and have started to develop greater independence in their learning and have worked extremely hard.

Year 3 have enjoyed their Roman topic and enjoyed writing a story using their class text, "Escape from Pompeii." They have also written a diary and have started to write a recount of their excellent school trip to Chester last week. During this, the children enjoyed dressing up in armour and marching through the streets of Chester, as well as taking part in a very practical workshop where they got to experience many different parts of Roman life.

The children also enjoyed our Roman "wow day" where they also dressed up in their own costumes and took part in a variety of activities including mosaic making, shield design and food tasting.

Our parents also came in to watch a maths lesson and the children were very proud to show them how well they are all doing in maths.
