

Maths

In Maths we are continuing with Maths No Problem to explore addition and subtraction. Then we will be moving onto space, shape and measure.

Children will continue to have weekly opportunities to practice mental methods and counting in 2's, 5's and 10's.

Topic

This term we will be exploring the topic 'Farms and Factories'.

History - We will be looking at farms in the past and present, comparing what they look like and what resources they used.

Geography - The children will explore climates across the globe and making comparisons to here.

Science - Lots of planting will be done this term to understand what plants need to grow, parts of a plant and observing changes over time.

General

The Year 2 PE day is Friday. Please ensure your child's named PE kit is in school.

Please make sure your child's uniform is clearly named.

Children are also asked to bring in a water bottle every day.

Reminder that our school trip is **Wednesday 25th March**.

English

This half term we will be writing diary entries from the point of view of a farmer and a factory worker comparing their daily routines. We will also become reporters, writing a newspaper article about the opening of a new factory. Children will be using their writing and phonics skills in all areas of their learning this term.

RE & Worship

In RE we will be learning about forgiveness through parables and stories told by Jesus.

Our value for this half term is...

JUSTICE

Homework

Homework will be set on a Friday to be returned to school on the following Wednesday.

Spelling tests will take place every Wednesday. Please remember you have the whole half terms list complete with test dates.

Please ensure that your child is reading every week and that you are signing the reading record so that books can be changed weekly.

It is essential that your child completes **ALL** homework, learns their spellings and reads at home to help with their learning.
