

Maths

In Maths we will continue to follow 'Maths No Problem'. This half term, we will continue to focus on calculations, consolidating multiplication and beginning division. We will then introduce children to fractions. This term the children will also continue to learn the 2, 3, 5 and 10 times tables both in and out of order. Please help your child practice these at home.

Topic

We are very excited to continue our topic of Wirral in the 1960s to now. We will be learning about fashion, music and the Beatles. We are looking forward to our 1960's day on the 10th March. In art we continue to look at Lambananas and make our own out of clay.

General

The Year 2 PE day is moving to a **Wednesday**. Please ensure your child's **named** PE kit is in school.

Please make sure your child's uniform is clearly named.

English

This half term we will be looking at a Narrative unit on a text called 'Flat Stanley'. This was written in the 1960s and links to our topic. The children will be building up the skills to write their own version of the story in the same style as the author. We will use our Barnstondale experience to write rules, lists and recounts and then towards the end of the half term we will look at poetry linked to Spring.

RE & Worship

In RE we will be learning about 'Forgiveness'. We will look at parables Jesus told.

Our value for this half term is...

JUSTICE

Homework

Homework will be set on a **Friday** to be returned to school on the following **Wednesday**.

Spelling tests will take place every **Monday**. Please remember you have the whole half terms list complete with test dates.

Please ensure that your child is reading every week and that you are signing the reading record so that books can be changed weekly.

Children are encouraged to complete **ALL** of their homework independently, to learn their spellings and to regularly read at home to help with their learning.
