

Maths

We are busy revising all the important concepts learned this year, in preparation for Secondary School.

New topics will include: statistics and data handling, algebra and 3D shape.

Lots of arithmetic practice, reasoning and problem-solving work will be included throughout to equip our children well for the tests in May and their education at Secondary School. There will also be some practice tests to prepare the children for their Maths SATs.

Science

Science: This term we are looking at 'evolution and inheritance'. We have started the topic by looking at the history of our planet and the next step is to learn more about fossils.

Secondary Readiness

It is very important that we prepare our children thoroughly for the SATs in May. During the second half of the Spring Term we will continue to deliver extra lessons in Maths and English, to develop the children's confidence, build exam technique and provide them with a good foundation for high school.

Before the half-term break, we equipped the children with flashcards to help them revise their Maths and Grammar facts. Just ten minutes a day of revision will really help the children and if you can support them in the use of the material at home we would be very grateful.

Spring 2 2020

Y6 Curriculum Newsletter

Diary dates & events

Secondary Readiness parent event including parent evening - 11th March 2020.

London information evening - 27th April

Please note that SATs week is 11th - 14th May. Please ensure there are no planned absences for that week.

Easter Holiday Revision Day - TBC

PE for this half-term is on a Friday, Stretch and Reflect on a Tuesday. However, please ensure your child has their PE kit in school at all times, as days can change.

Nurturing achievers,
who in Jesus' sight are:
Resourceful, Reliable, Respectful and Resilient

English

The novel we are studying this half-term is a delightful book called "Letters from the Lighthouse, by Emma Carroll. We will also be continuing our grammar work, revising active/passive sentences, clause types, spelling patterns, word classes and punctuation. There will also be some practice tests to prepare the children for the grammar and reading SATs.

RE & Worship

The Christian value we are embracing this half-term is 'justice' and this will be the focus of assemblies and class worship. The main R.E. theme for our lessons are 'Forgiveness.'

Homework

Maths - handed out Friday due in on Tuesday; based on work done in class that week.

English - various: grammar work, spelling, sometimes topic based - due in on Tuesday.

Spelling - lists will be issued to learn for weekly tests this half term. Tests to be carried out on a Friday. On top of this, we also suggest that your child regularly uses the website Spellingframe.co.uk at home, to practise common spelling rules. **Extra homework maybe issued as required.**
