

Key worker provision – What will it look like?

Lunch

Lunch will be provided for infants and those entitled to free school meals. If you would like your child to have a school meal, please order and pay via ParentPay.

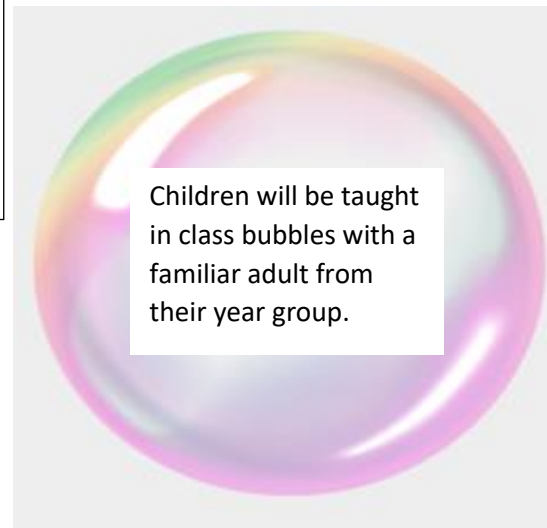

Coats

Coats should be worn every day. We will plan lots of outdoor activities, to keep children active, so please do ensure your child has a waterproof coat with a hood daily.

	Infants	Juniors	Families with Siblings
Drop off arrangements	8:45am through the grey gate	8:45am through the green gate	Drop off with youngest child

Children will be taught in class bubbles with a familiar adult from their year group.

Zoom

To help your child remain connected with their peers, we will be joining some of the live lessons with those doing remote learning.

PE

PE will be scheduled weekly by the class teachers. This will be communicated via the year group email. On PE days, please ensure your child wears a warm tracksuit and sensible shoes on this day.

Water

Please send your child into school with a named water bottle every day to ensure that they keep hydrated. This will be sent home at the end of every day to ensure they can be cleaned thoroughly and filled up.

Wellbeing

We will be planning a series of wellbeing activities including collective worship to support pupils physical, spiritual and emotional wellbeing.

Health and Safety

Please remember to follow our safety procedures to keep us all safe!
