

Maths

In maths, we will be continuing to look at the topics addition and subtraction with numbers up to 1 000 000 and then will move on to multiplication and division. We will also be practising mental maths, times tables and calculations daily. Please encourage your child to continue to practise their times tables regularly at home.

Science/Topic

Science: Properties and changes of Materials

History and Geography: Medieval Medicine - How did the medieval time influence our time? What types of people lived during the medieval time? What was medicine like during the period? How does it compare to the medicine of our time? What effect did the bubonic plague have on London? Compare and contrast the life of a poor person/wealthy person during the medieval time. How can we use primary and secondary sources to predict how medical equipment and medicine developed?

English

In English, we will continue to look at the text, Beowulf by Michael Morpurgo, which links to our topic.

The children will be writing from a variety of contexts and genres: diary entries, epic poems, character and setting descriptions and writing their own legend.

Children will continue their learning of grammar, punctuation and spelling and apply these successfully in their writing.

RE & Worship

The Christian value we are embracing this half term is 'Service' and it will be the focus of assemblies and class services.

The R.E. theme is 'Christian Community.'

Homework

Homework will be emailed out to parents every Friday. We would like homework to be photographed and uploaded to seesaw by the following Wednesday.

Spelling overview sheets will be sent out for your child's group. Spelling tests take place each Friday.

Thank you for your support.
